

# What is Birdie Basics™?

Birdie Basics™ is a story driven golf instruction program for children ages 3-7. This #1 program is a yearly membership consisting of a detailed 8-session curriculum with themed games that teach all the basics of golf to this wonderful age group. The curriculum is enhanced with a combination of playful props, coaching aids, instructional videos, as well as some other cool perks.

## WHY IT WORKS

We've taken the complex concepts involved in proper golf technique and turned them into simple, memorable metaphors delivered through fun games. The curriculum encourages every child's success along the way and keeps them coming back for more!
